News at the Course:

* We currently have 157 memberships for 2008. That number is a lot better than the 130 we had a week ago. I know there are still many of you out there who have not paid yet. Just a reminder, if you want to get in on last year's prices, you need to pay by April 15.

* We have received around 129 pledges. Please keep them coming.

* We also have around 50 new memberships already. Wow, that is fantastic!!

* Thanks to all the people who came to the potluck on March 14.

LOST IN THE DARNEST PLACES:

An elderly Floridian called 911 on her cell phone to report that her car has been broken into. She is hysterical as she explains her situation to the dispatcher: "They've stolen the stereo, the steering wheel, the brake pedal and even the accelerator!" she cried.

The dispatcher said, "Stay calm; an officer is on the way."

A few minutes later, the officer radios in. "Disregard," he says. "she got in the back-seat by mistake."

Final Comments:

Things are coming along at Lincoln Valley, but the weather now needs to cooperate. Also, if you are available and willing, the staff and board would appreciate volunteers to help in the clubhouse, around the clubhouse, and on the grounds. Many in the past have offered their time and talents in doing many things to help make our golf course even better. We need you again. Please call the clubhouse or stop by to sign up where your talents can be best put to use. Thank You!
